IN **JULY**

Sermon Series

The focus of our sermon series this month is... {wait for it} ...JESUS! We'll continue learning about the Way of Salvation from Luke's Gospel (8:1-56) by focusing on the ministry of Jesus; specifically his preaching, his person, and his power. We'll see how Luke places the key parable of Jesus' teaching alongside some of his most powerful miracles: over creation, demons, and death. We'll see that true disciples are drawn beyond awe and wonder into a deeper relationship defined by faith.
