GILLIAN
DAVIS

Gillian loves being 45 plus, is a mother of three and wife to Brett. Together they head up Christian Surfers International, a mission to the world surfing community. Gill is a dynamic people person who loves music, theatre, sports and good food (preferably something she has not had to cook!). Over the years she has been a competitive waterskier, Human Resources Manager and home schooler - bravely living around the world in 1999 visiting the emerging Christian Surfers world movement. Up until recently Gill was working part time as assistant chaplain at the Illawarra Grammar School and now teaches special religious education to tweens and high schoolers. Gill is a brilliant communicator who is equally at home speaking to surfers, church congregations and well received by those outside the Christian faith. Ultimately her passion is that we be authentic as people, live beyond the cliches and treasure the privilege of knowing God.

Me Time Ladies Retreat 2011

Our purpose for Me Time 2011 is for you to be inspired by worship and teaching. Come to meet with the other ladies of our church on a deeper level and have some time for rest, reflection, some good fun and laughs. All the while being away from the daily schedule of life.

If you are a woman over 17years we would love to have you join us. If you have a baby under 12 months you are both most welcome!

We will be staying at Katoomba Christian Convention Centre (KCCC), located across the road from Scenic World, amid 13 hectares of beautiful bushland on the edge of the Blue Mountains National Park.

The accommodation consists of both ensuited motel style rooms and small dorm style accommodation. All rooms are heated and are very comfortable. We are blessed six times a day by yummy food that is prepared by someone else!

Our program includes worship, teaching, relaxing, getting to know new ladies and catching up with others. There is volleyball,

basketball and bush-walking as well as plenty of lovely places to curl up and read a book, have a chat, share a hot drink or just chill out.
